The offender has not complied with the following condition(s) of supervision:

Violation Number Nature of Noncompliance

1 During a home visit on August 3, 2021, a drug test was administered, and it yielded positive results for Oxycodone. Mr. Brown then admitted that he took his girlfriend's prescription Promethazine. He stated that he took one pill because he had a headache.

It does not appear that Promethazine would test positive for Oxycodone on a drug screen. Mr. Brown was informed of this and was asked if he used any other illicit drugs. He denied using any other drugs.

U.S. Probation Officer Action:

Mr. Brown was reminded that it is illegal and dangerous for him to take any prescription medication that is not prescribed to him by a doctor. He was encouraged to discuss this with his therapist in treatment and to take over the counter medication or to visit a doctor if he is not feeling well in the future. He will continue to be randomly drug tested and will continue to attend substance abuse and mental health treatment on an outpatient basis.

Respectfully submitted,

SUSAN M. SMALLEY, Chief
U.S. Probation Officer
